

A Lunchtime Webinar by NACE Led by NYP

ACCELERATE YOUR WORKPLACE LEARNING JOURNEY

3 AUG 2022 | 12 PM - 2 PM | VIA ZOOM

A Fringe Event of SkillsFuture Festival 2022

Workplace Learning (WpL) has emerged as a great way to help people learn while working to develop themselves and effectively enhance their competencies at the workplace.

Building a WpL culture can significantly enable rapid and purposeful application of learning. In this session, the **National Centre of Excellence for Workplace Learning Led by Nanyang Polytechnic (NACE)**, will share ideas on how the National WpL Framework can provide a guide to building a strong learning culture, how leaders can develop critical core skills through effective coaching and what we can learn from Singapore, German and Swiss best practices in WpL.
